- Collin County – Orientation 6/15/22. (**More Info to follow . . .**)
- Denton County - A District 21 sponsored workshop was held May 25, 2022 and two people from Unfortunates were there. This work shop was specific to processing applications to volunteer at Denton County. Denton is begging for AA volunteers so this a very good service opportunity for The Unfortunates to be of service

7. CPC/PI – Rick R.

- I have made announcements making sure all committees members and subcommittee members would need to contact me to setup access to their email accounts that have all information for their new position. Their new email accounts have detailed information waiting for them about their new positions once they have accessed the account. if there are any others who have not had access to date please notify me at cpc@unfortunates.org
- The Frisco 7am is no longer on zoom and are meeting in person only.
- The Unfortunates now has a 7am morning zoom meeting starting on July 1, 2022. I have been busy with updates on the website, so it is current and has all the correct info and updates added before. In the meantime, I have been working on the flyer for Unfortunates' 7am meeting so that our group members are aware of the new ID&PW moving forward and for anyone else who may want to join our new 7am meeting.
