THE UNFORTUNATES

Group Conscience Minutes

I. Call to Order — Serenity Prayer

II. Meeting Location Discussion

1. Pros vs. Cons of current location (Life Changing Faith Church)
 - a. PRO - We appreciate LCFC being available for us immediately when we needed to move.
 - b. PRO - Moving again so quickly was a concern.
 - c. CON - There is no protection from the weather outside for greeters to properly welcome our newcomers/guests/members.
 - d. CON - Second story meeting room and stairs to access room are difficult to maneuver.
 - e. CON - Meeting room does not accommodate membership growth; limited in size.
 - f. CON - Closed on holidays.
 - g. CON - No independent access to facility (a church member is letting us in and closing up after the meeting.)
 - h. CON - Meeting time restrictions; extra cost for extra time.
 - i. CON - Flat rent fee vs. percentage of the basket is costly.

III. Proposed New Location

Grace Church is located at 8440 Grace St, Frisco TX 75034 near Frisco Square.

- Our understanding, after meeting and talking to the head pastor (not an intermediary as previous locations) is that they want us there; there are not any of the current limitations that will be an issue, and they want to grow with us as one of their ministries.

IV. Vote

The group voted unanimously to move to Grace Church effective October 25th. A text and email will be sent to confirm, and properly inform members.
